Middle Eastern Desserts

If cultures across the Middle East spark your interest and curiosity, you will enjoy our hands-on dessert experience. In this relaxed class, we will use the region's staple ingredients to prepare some of its famed desserts such as kenafe, halvah, ma'amouls (date filled cookies), carob butter, and more. We will then sit around the table and enjoy a taste of everything you have prepared (and pack the rest to take home) along with arabic coffee or tea with naa'na (mint), while listening to some fascinating stories from afar.

Event is 2.5 hours long, $69.00/guest, minimum 8 guests maximum 10.
